The Spaghetti House held a special charitable activity, **“Family • Fun • Love” Mealathon**, on Saturday (18 October 2014) to celebrate its 35th anniversary. Collaborated with St. James' Settlement, 350 participants from deprived families or families with member with disability of different districts joined the “mealathon” at The Spaghetti House’s outlet in Tsuen Wan in three different sessions, enjoying not only a scrumptious meal, but also some fun time learning balloon twisting as well as how to make a simple healthy snack, Sesame Tofu Pudding at home.

Ms Rosa Lau, Senior General Manager (Specialty Restaurants) of Café de Coral Group joined the families for the meals. Speaking at the activity, Ms Lau said, “I find it very meaningful to share the joy with 350 friends here in this happy occasion. Having a scrumptious meal together at The Spaghetti House, I hope it will bring fun and love to the participating families.

“With a history of 35 years, The Spaghetti House now operates more than 30 outlets in Hong Kong, Mainland China and Macau, and without all of your support, we would not have achieved such a huge success.”

The “mealathon” was supported by St. James' Settlement who invited service users of various service units and their families to join. Ms Connie Ng, Senior Service Manager of St. James' Settlement said in the activity, “We sincerely thank Café de Coral Group for supporting our organisation these years. Through the ‘mealathon’, our service users can reach out to other district and meet new friends that widen their exposure. It also offers an enjoyable and memorable experience to the families. And the customer donation programme will help foster a caring culture among customers bringing hope and support to the needy.”

In addition, The Spaghetti House will donate \$10 to St. James' Settlement for every order of a relaunched popular dish, “Puff Pastry Dome” (Linguine with Scottish Smoked Salmon & Crayfish in Cream Sauce) from 8 to 31 October, in order to help the needy.

In appreciation of customers' support over the past 35 years, The Spaghetti House has launched various celebration programmes since August, including half price for the 35th anniversary special lunch set for two, \$35 complimentary coupon, buy two and get three for the lunch sets, special offer at \$5 for second afternoon tea set, etc. It has also cooperated with a popular illustrator, Pucky, to design some funny and lovely cartoons especially for the “Cheese Fondue” and the “Puff Pastry Dome”.
